**FINDINGS, CONCLUSIONS AND RECOMMENDATION
OF THE UNITED STATES MAGISTRATE JUDGE**

This cause of action was referred to the United States Magistrate Judge pursuant to the provisions of Title 28, United States Code, Section 636(b), as implemented by an order of the United States District Court for the Northern District of Texas. The Findings, Conclusions and Recommendation of the United States Magistrate Judge follow:

FINDINGS AND CONCLUSIONS

I. Procedural background

Petitioner filed this motion to vacate, set aside or correct sentence pursuant to 28 U.S.C. § 2255.

On March 15, 2001, Petitioner pled guilty to six counts of a superceding indictment. On June 7, 2001, he was sentenced to 360 months imprisonment. He did not appeal his conviction or sentence.

On December 19, 2005, Petitioner filed a federal § 2255 petition. *Franklin v. United States*, No. 3:05-CV-2479-H (N.D. Tex.). On November 30, 2006, the district court dismissed

the petition on the merits.

On November 24, 2010, Petitioner filed the instant petition. He states he received ineffective assistance of counsel. The Court finds the petition should be transferred to the Fifth Circuit Court of Appeals as successive.

II. Discussion

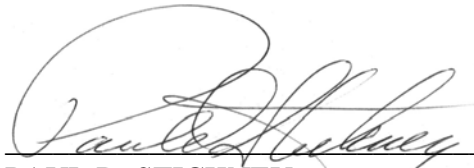

The Antiterrorism and Effective Death Penalty Act of 1996 limits the circumstances under which a federal prisoner may file a second or successive motion for post-conviction relief. ANTITERRORISM AND EFFECTIVE DEATH PENALTY ACT, Publ. L. 104-132, 110 Stat. 1214 (1996). A defendant must show that the successive motion is based on: (1) newly discovered evidence that, if proven and viewed in light of the evidence as a whole, would be sufficient to establish by clear and convincing evidence that no reasonable factfinder would have found him guilty of the offense; or (2) a new rule of constitutional law, made retroactive to cases on collateral review by the Supreme Court, that was previously unavailable. 28 U.S.C. § 2255. This determination must be made by a three-judge panel of the court of appeals before defendant files his motion in district court. 28 U.S.C. §§ 2241 and 2255.

The Fifth Circuit has not issued an order authorizing this Court to consider the successive motion. Petitioner must obtain such an order before another motion for post-conviction relief is filed.

RECOMMENDATION

For the foregoing reasons, the Court recommends that the petition to correct, vacate or set aside sentence pursuant to 28 U.S.C. § 2255 be TRANSFERRED to the Fifth Circuit Court of Appeals pursuant to *In re Epps*, 127 F.3d 364, 365 (5th Cir. 1997).

Signed this 16th day of December, 2010.

NOTICE OF RIGHT TO APPEAL/OBJECT**

A copy of this report and recommendation shall be served on all parties in the manner provided by law. Any party who objects to any part of this report and recommendation must file specific written objections within 14 days after being served with a copy. *See* 28 U.S.C. § 636(b)(1); FED. R. CIV. P. 72(b). In order to be specific, an objection must identify the specific finding or recommendation to which objection is made, state the basis for the objection, and specify the place in the magistrate judge's report and recommendation where the disputed determination is found. An objection that merely incorporates by reference or refers to the briefing before the magistrate judge is not specific. Failure to file specific written objections will bar the aggrieved party from appealing the factual findings and legal conclusions of the magistrate judge that are accepted or adopted by the district court, except upon grounds of plain error. *See Douglass v. United Services Automobile Ass'n*, 79 F.3d 1415, 1417 (5th Cir. 1996).
